## Company Profile

OJ Painting & Services is an owner-led Northern Colorado painting and drywall contractor serving commercial, residential, rental-turn and repaint needs. The company provides painting and drywall capabilities under one local point of contact and is focused on building long-term trade-partner relationships with general contractors and property operators throughout Northern Colorado.

## Core Capabilities

| PAINTING             | DRYWALL / TURNOVER        |
|----------------------|---------------------------|
| Interior painting    | Drywall hanging           |
| Exterior painting    | Drywall finishing         |
| Commercial painting  | Drywall repair            |
| Repaints / refreshes | Rental turns / make-ready |

## Service Area

Fort Collins, Loveland, Windsor, Greeley, Timnath, Johnstown, Berthoud, and surrounding Northern Colorado.

## Trade-Partner Positioning

OJ Painting is pursuing recurring commercial relationships where dependable painting and drywall capacity can support tenant improvements, renovations, repaints, multifamily/rental turns, repair scopes and other finish-trade work. Pricing is developed by project scope.

Tax, insurance, workforce, safety, licensing and reference information is maintained separately for prequalification and should be verified against current supporting documents before submission.
